MEDDRAYSINTELL TO SHOWCASE ITS REPORTS AT EANM IN BARCELONA

MEDDraysintell will display its series of market reports and directories with over 1,900 pages of unrivaled intelligence covering Nuclear Medicine, Cyclotrons, Brachytherapy and Proton Therapy, during the EANM – European Association of Nuclear Medicine – congress (Barcelona, Spain, October 16-18, 2016). <http://eanm16.eanm.org/>

MEDDraysintell is gratefully hosted by the company ANMI and visitors are welcome at booth #90.

“Nuclear Medicine World Market Report & Directory” is a 990-page report providing an exhaustive description and analysis of over 370 radiopharmaceuticals and radionuclides with a comprehensive profile of more than 170 companies and institutions active in the radiopharmaceuticals industry.

“Cyclotrons used in Nuclear Medicine World Market Report & Directory” is a 350-page report providing an extensive review of all cyclotrons around the world (over 1,200) with an exhaustive profile of the 14 companies active in this market.

“Brachytherapy Market Report & Directory Global” provides in a 340-page document a complete description of the radionuclides and devices used in brachytherapy, and a detailed profile of 62 companies and institutions active in this field around the world.

The fourth edition of the *“Proton Therapy World Market Report & Directory”* is the most comprehensive evaluation of the proton therapy market dynamics on a world basis. It analyzes both past and future trends to the year 2030, and contains a detailed profile of more than 25 promoters, manufacturers or developers of proton and carbon therapy equipment.

MEDDraysintell reports and directories are becoming the sole trusted sources of intelligence in the radiation healthcare industry. Reports can be customized to specific areas or modalities. Sample pages and complete table of contents are available upon request. MEDDraysintell also welcomes your requests for specific intelligence needs in these areas.

We look forward to seeing you in Barcelona!
